RE: Employee Spotlight – Harold Rogers

The recognition of Harold Rogers, Operations Manager of the Habersham County Landfill, is both well-deserved and essential for his unwavering commitment to serving the citizens of Habersham County. Through his dedication and tireless efforts, Mr. Rogers has consistently demonstrated his passion for maintaining a clean and sustainable environment for the community.

Harold's exemplary leadership at the landfill has undoubtedly contributed to the efficient management of waste disposal while prioritizing environmental conservation. His attention to detail and innovative approaches have not only ensured the smooth operation of the landfill but also fostered a culture of responsibility and accountability among staff members.

In recognition of his 20 years of outstanding service, it is fitting to express our sincere gratitude to Harold. His dedication serves as a shining example of public service excellence, and his contributions undoubtedly make a positive impact on the quality of life for all residents of Habersham County.

Please join us in congratulating Harold on this well-deserved recognition.
