RE: Employee Spotlight – Julie Pierce

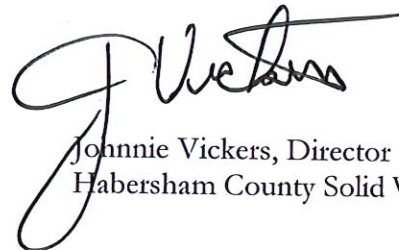

We would like to extend our utmost appreciation and recognition to Julie Pierce, Scale House Attendant, Habersham County Landfill, for her exceptional dedication to providing outstanding customer service. Julie's unwavering commitment to our customers has not only strengthened our relationships but has also significantly contributed to our company's success.

Julie consistently goes above and beyond in her role, demonstrating exemplary professionalism, patience, and empathy in every interaction. Her ability to listen attentively to our customers' needs and provide effective solutions has been instrumental in ensuring their satisfaction and loyalty.

Furthermore, Julie's positive attitude, willingness to help, and willingness to tackle challenges head-on make her an invaluable asset to our team. She sets a remarkable example for her colleagues and inspires others to strive for excellence in their own customer service efforts.

It is with great pride and gratitude that we recognize Julie for her outstanding contributions to Habersham County and the exceptional service she provides to our customers. Her dedication and passion embody the values we hold dear, and we are truly fortunate to have her as part of our team.

Please join us in congratulating Julie on this well-deserved recognition.

Johnnie Vickers, Director  
Habersham County Solid Waste
